

## Glenshee Club Hut

Aberdeen Snowsports club is renovating an old club hut at Glenshee and is looking for volunteers to help out with a variety of jobs. The first weekend of work was on the 17th & 18th of July. There was 21 volunteers and everyone had a great time working on what will be the best hut ever! Volunteers are still needed for the 31st of July, the 22nd of August and the 12th of September. There is a multitude of jobs and any help is appreciated. To have a hand in this great project contact Steven Gray at [stevengray@me.com](mailto:stevengray@me.com) for details.

## Summer Slide

Saturday June the 5th saw the last club slide of the season. For the first time in over 15 years there was still enough snow up the Cairngorms during June for snowsports to continue, and full advantage was taken. Fun was had by all who attended, let's just keep our fingers crossed for a similar season next year.

## Club clothing

Club clothing is still available to buy in reception of the centre. Hoodies are £19 and t-shirts are £9. Get down to get yours if you haven't already!

## Block Update

The new six week blocks will be starting the week commencing 30th of August. We will start taking bookings for these from Monday the 2nd of August, all details will be on the website by this date.

## AGM Club night

On Saturday the 18th of September, Aberdeen Snowsports Centre will be hosting the Annual General Meeting of Aberdeen Snowsports Club, and all members are invited. This will be celebrated in the usual form of a club night. The day will kick off with a Westbeach competition from 12-5 which is open to skiers and snowboarders. To compete, register online at <http://snowflexseries.westbeach.com/registration> and make sure you've got your club hoodies on to represent! There will also be a BBQ from 5pm, fun competitions, prizes and of course the AGM. This will be an opportunity for all members to put any ideas or questions forward to committee members and also learn of any up and coming events or jobs available within the committee. The night will come to a close around 8pm.

## Club Holiday

As last year's club holiday was such a huge success, we are organising another for Easter 2011. The club holiday is an excellent opportunity to go away with like minded people who enjoy snowsports and all it has to offer. It is open to all members and we appeal to families, groups of friends and individuals. Details will be announced very soon but if you are interested, please email our organiser Louise at [louisemoig@btconnect.com](mailto:louisemoig@btconnect.com)
